Pool Entry IMPORTANT NOTICE

Register your family at <https://chartridge.funfangle.club>

We will use an online reservation system, which will allow any member of the community who has paid their HOA dues to create an account. All members must have a reservation and check in for each visit. Members will confirm their registration and may be asked to show their driver's license at the guard window and the guard will mark them as entering or leaving. We will not be using bracelets this year.

New families, please create an account and register each member of your household at <https://chartridge.funfangle.club>. Please include a profile picture for each person to assist with quicker check-in.

Returning families, please log into your account and make any necessary changes.

- No one under the age of 11 is permitted at the pool without an adult. Children 11 years of age must pass the swim test in order to be at the pool without an adult.
- Members are not allowed to enter the areas marked around the guard stations (two chairs and shack)
- Members are encouraged to practice social distancing.
- Face masks must be worn by non-vaccinated members when entering the pool house and bathrooms.
- The guards require the two, 15 minutes sessions to sanitize high touch areas. This may require the pool water to be closed for portions of time. Please obey their instructions so the area can be quickly and effectively sanitized and that the pool water can reopen as quickly as possible.

A CHILD MUST BE AT LEAST AGE 11 AND HAVE PASSED THE SWIM TEST TO BE ABLE TO COME TO THE POOL ALONE!

NON-SWIMMERS

- A non-swimmer is anyone under the age of 16 who is not able to pass the Basic Swim Test.
- Non-swimmers may not come to the pool without adult supervision.
- When using the pool, the guardians must be engaged and within arm's reach of non-swimmers age 10 and under. Non-swimmers who are not adequately supervised by a responsible adult will be asked to exit the water for the safety of the non-swimmer.
- Non-swimmers between the ages of 11 and 15 may enter the pool to depths up to their shoulders without direct supervision.

Basic Swim Test

- Swim one long length of the pool. Tread water for one minute in the deep end of the pool.
- Anchor Aquatics will supply wrist bands to members and guests that pass the Basic Swim Test.
- The wrist band should be worn with every pool visit.
- Swimmers will have to retake swim test if wrist band is forgotten. A temporary or replacement band will be supplied as appropriate.
- Swimmers who are found sharing their bands will be asked to exit the water.

Wading Pool (Baby Pool) Rules

- The Wading pool is primarily for those children who have not passed their Basic Swim Test and are unable to use the main pool.
- Children must be supervised at all times while in the baby pool. There is NO lifeguard on duty within the baby pool area.
- Health Department requires non-toilet trained children to be fitted with a "swim diaper". Regular disposable diapers are not allowed.
- Changing table is located in the women's room if needed.
- If vomit or fecal matter enters the pool, report it to the lifeguard immediately.
- During busy and hot days, those children able to swim in the main pool are asked not to "SWARM" the wading pool during adult swim as to allow the little ones their time. Adult swim is a time where children may need to take a break also.
- Please feel free to move and adjust umbrellas located in the wading pool area so that they may provide better shade for the children.
- Please help out by putting the toys away when you are leaving the wading pool.

ULTIMATELY THE PARENT/GUARDIAN IS ALWAYS RESPONSIBLE FOR THE SAFETY OF THEIR CHILDREN.
